

## OUR PRODUCTS HAVE WARRANTY!

### Warranty statement

For products of In situ, the warranty applies in the period as listed at individual items.

Warranty is applicable if presenting original recipe and following general and special instructions for correct use given with individual items.

#### General instructions for using and cleaning of wooden items:

Unless stated differently, the products are supposed to be wiped with a moist cloth and dried at room temperature after use or when necessary. We keep and use them in dry environment, the way woodenware is meant to be used.
